

## PHIS AGENT REFERRAL PROGRAM

Preferred Health Insurance Solutions (PHIS), in partnership with First Stop Health, LLC, are pleased to offer agents two **EASY** ways to **earn extra money**.

PHIS is a national health enrollment firm that offers a variety of **health products**, both on and off the federal and state healthcare exchanges, as well as ancillary health products from regional and national carriers across the country, including but not limited to: Major Medical, Short Term Major Medical, Dental Plus Vision and Hearing, Accident Hospital Indemnity, Personal Accident Medical Insurance, First Benefit Cancer, Critical Illness, Fixed Indemnity, and Disability Income.

**We also offer a unique Telemedicine program administered by First Stop Health**, which is typically only available to employer groups. PHIS has the ability to offer this benefit to individuals and their families with the option to pay monthly or annually for this convenient service. Your clients will have access to U.S-based physicians 24/7, 365 days a year, with absolutely **ZERO co-pay**. Please visit [PHISonline.com](http://PHISonline.com) to view a video and learn more about this program.

**In order to participate in the PHIS Agent Referral Program, please complete and submit the form below along with a copy of your P&C or L&H license.**

**Sign up for our agent referral program and start earning today!**

**\$25 for each health policy issued AND 10% fee for each telemedicine enrollment**
